

# What is the UNITED STATES EMERGENCY & DISASTER MANAGEMENT CONGRESS?

# WHO WE ARE

The United States Emergency & Disaster Management Congress is a nonpartisan, nonprofit [seeking 501(c)(6)] professional association dedicated to advancing the profession of emergency & disaster management.

# EMERGENCY & DISASTER MANAGEMENT PROFESSIONALIZATION FRAMEWORK

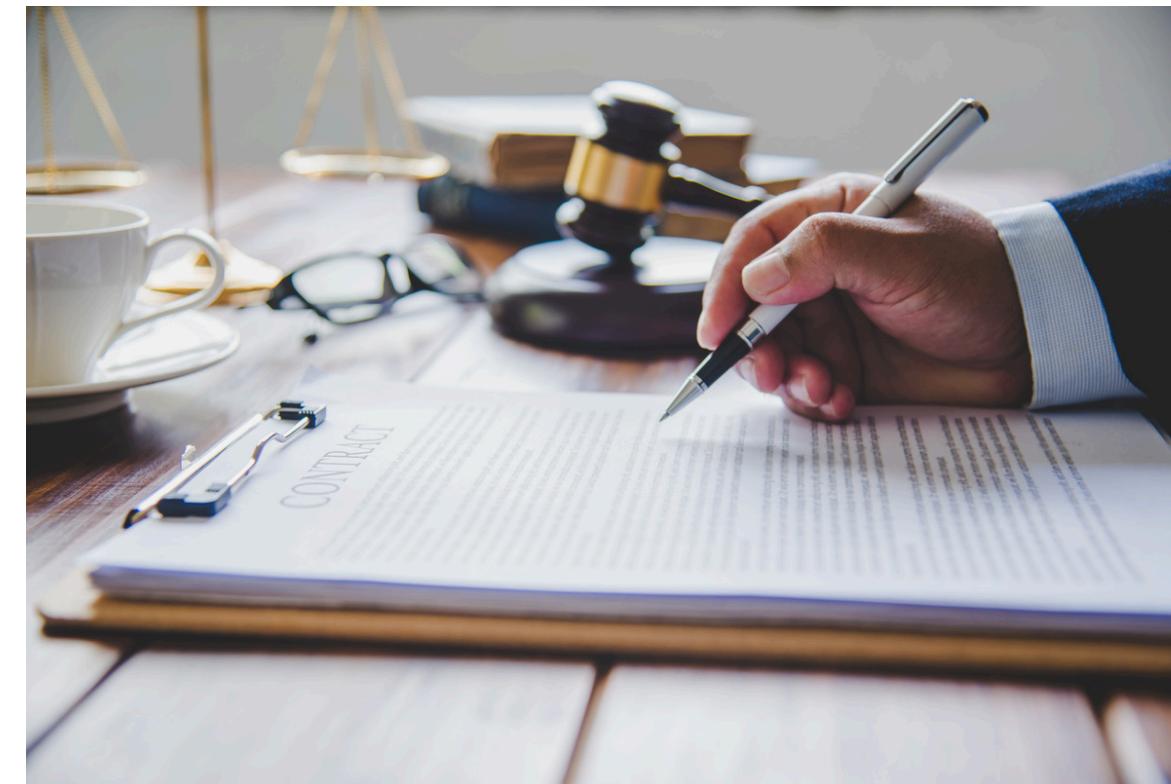

# HOW WE WORK

1. Create Standards

2. Develop Legislation

3. Lobby & Advocate  
for change

# THE PLAN

1. Develop Unified National EM Standards aka the “Model EM Law”.
2. Cities & Counties adopt the Model Law and EM National Standards.
3. States adopt Model EM law & EM National Standards.
4. U.S. Congress Ratification of EM Model Law & National Standards

# WHAT ELSE DOES THE USEDMC DO?

1. Defends Emergency Managers and speaks out on national issues.
2. Establishing an EM-Major Incident Review Board
3. Establishing Partnerships across EM to build an integrated system Public/Private/Nonprofit/Academic/etc...
4. Invests in State and Local Emergency Managers and supports legislative efforts and public affairs initiatives
